

Spiritual Care Consultants Partnership

Dear Partner,

Growing a healthy mind, body, and spirit is an upward battle. The fight starts with an individual being strong enough to step forward and ask for help. The fight continues with the opportunity for Spiritual Care Consultants (SCC), at no charge, to help deliver a path to well-being for every individual that God sends our way. **Thanks for joining us in that fight, by becoming a Spiritual Care Consultant's Partner.** As John 1:8 states, "So we ourselves should support them so that we can be their partners as they teach the truth."

As a SCC Partner, you will be supporting opportunities for others to fight life's challenges, and receive much needed spiritual healing, growth, and freedom. As a SCC Partner, you will receive prayer from Pastor Gale Kragt and his team of consultants. You will receive newsletters, outlining the progress of SCC, on a regular basis. And, it will also be our privilege to invite you to attend our Annual Spiritual Care Consultant's Fundraising Banquet each January.

There are so many generous people throughout your area, who give of themselves, their time, their talent, and their financial resources to many worthwhile charities and organizations. Thanks for becoming a SCC Partner today. Your financial commitment will allow Spiritual Care Consultants the opportunity to ensure that another patient's battle with spiritual healing and well-being is won!
